SUMMERCAMPS

2015

Full Week Camps

All Camps run 9:00 a.m. - noon
\$80 Member / \$100 Non-Member

Each Camp offers two sections:
Ages 3-6 and ages 7-10

Scientists as Artists

June 22 - 26

Discover the world of science through hands-on art projects. Learn about the properties of water, color mixing, chemical reactions and forces while creating art that will make each Camper proud.

Under the Sea

July 13 - 17

Dive down deep for a week of ocean exploration. Discover coral reefs and get up close and personal with some of our ocean friends.

LEGO® Mania

July 27 - 31

What does it take to build a racecar, a house or a famous building? All Campers need is a little imagination and a lot of LEGOS. Create a new structure each day as you put your building skills to the test.

Junior Scientists

August 10 - 14

What happens when we mix two different chemicals? Young scientists will be real-world investigators in our Lab. Follow the scientific method and conduct experiments to find out the secrets behind everyday occurrences.

Camp Registration

Registration is required for all Camps.

Location

Discovery Place KIDS-Rockingham, 233 E. Washington St., Rockingham, NC 28379

Registration Dates

- Registration for Members begins Wednesday, January 21, 2015.
