

Blue basket — Located in the front yard of the main home. Mile Lane and a circle driveway encircle it. It is surrounded by some trees but has several paths leading in.

Black basket — Located near the beginning of the property and closest to the road. It is just in front of a pine tree and has some brush to one side. There are three or four fruit trees leading to this basket.

Red basket — Located in the back yard behind the trailer. It is raised up, sitting on a tree trunk. It is surrounded by some trees but also has several paths. A good distance behind this basket is some brush.

Orange basket — Located at the bottom of a cleared portion of the property below the main home. It is in the middle of a circular clearing approximately 30 feet on the sides of the basket and 40 feet in the back of the basket to some brush/woods line. This basket is also used as an “island” hole on No. 3. There is a ring of wooden poles on the ground about 20 feet from the basket. The tee shot must land in this ring.

Yellow basket — This basket is located in the woods, approximately 150 feet below the orange basket. There is a tiny creek, usually dry, with a small fairway to the right. The basket is located to the left of the creek in an opening, surrounded by some trees. The path between the yellow and lime baskets is completely wooded, and there are no defined fairways at this time.

Lime basket — This basket is located in the woods behind the second driveway of the main house. There is a very small creek, usually dry, that is on the front of this basket. The basket sits in an opening between trees. It has a few open routes coming from the house side of the course. On one side of this basket, there is a fallen tree and a fair bit of brush.

HOLES

- 1. BLACK BASKET - 377 feet - Par 3 - Tee:** Road at the far driveway. One of the longest open holes. There is in the yard to your left, the road and field to your right is in bounds. The basket is situated in front of the pine tree.
- 2. RED BASKET - 203 feet - Par 3 - Tee:** Far side of the road behind the smallest pear tree. The basket is down to your right. Cannot go over the trailer. Raised basket.
- 3. ORANGE BASKET - 151 feet - Par 3 - Tee:** Between the tree and the house. This is an “island” hole. First shot must land inside the 20-foot circle around the basket. If the first shot does not land in the circle there is a drop

zone to the left at the base of the hill and a one-stroke penalty.

4. YELLOW BASKET - 211 feet - Par 3 - Tee: At the base of the hill coming down from the house. The fairway runs parallel to the small stream on the right side below the opening for the orange basket. The basket is in a grove of trees to the left. There is an early opening and an opening further down near the basket. There is a large downed tree and some brush on the right side.

5. LIME BASKET - 233 feet - Par 4 - Tee: Off to the left of the yellow basket if you are facing up the hill. This is the first hole entirely in the woods and is uphill. There are no defined fairways. There is a small fairway to the left and a possible opening to the right. There is some brush and a thicket to the right of the LIME basket coming from this direction.

6. BLUE BASKET - 177 feet - Par 3 - Tee: Above the LIME basket as facing the driveway. The first shot comes out of the wooded section and over the stream to the rear driveway. Then up through a slightly wooded area into the front yard where some trees surround the main basket.

7. LIME BASKET - 253 feet - Par 4 - Tee: On the road near the middle of the front yard. Your first shot can come through the tree lines in the front yard or down the road and turn right into the lower driveway. Then across the stream and into the woods to the basket. Brush to the left.

8. YELLOW BASKET - 218 feet - Par 4 - Tee: To the right of the basket as you are facing down the hill. Like the path up the hill, you will have limited lines to get down to the yellow basket. There is a fallen tree behind the basket and the stream to the right.

9. ORANGE BASKET - 216 feet - Par 3 - Tee: Off to the left of the yellow basket if you are facing up the hill. This is not an “island” hole. You will be playing out of the woods with the stream and narrow fairway to the left. There is an opening early and late to get out of the woods. The orange basket is in an opening at the bottom of the back yard.

10. RED BASKET - 256 feet - Par 3 - Tee: Behind the circle near the opening in the woods. Heading to the elevated red basket. Regular play is to the back yard up the hill to the left of the main house. There is an opening below the shed. You can throw over the shed. The basket is on the tree trunk with a few trees around the yard. Some good lines when you reach the yard.

11. BLACK BASKET - 188 feet - Par 3 - Tee: Near the bottom of the yard. Up the hill to the left of the trailer.

There are some trees so be careful. The bottom of the yard can get wet, so tee may need adjusted at times.

12. BLUE BASKET - 338 feet - Par 3 - Tee: On the road back by the road sign. A reverse of hole one. Long, open tee shot over the road and field turning right into the front yard and the blue basket.

13. RED BASKET - 167 feet - Par 3 - Tee: Top of driveway near first mailbox. Heading to the elevated red basket. The first shot is under or some some trees in the front yard of the trailer and around the far side of the trailer. Some good lines when reach the back yard.

14. BLUE BASKET - 180 feet - Par 3 - Tee: Below the red basket (same tee as No. 11). Your target is the blue basket in the middle of the front yard of the house. There is a low ceiling and a good increase in elevation. There are some good forehand or backhand lines.

15. YELLOW BASKET - 272 feet - Par 4 - Tee: Between the house and tree (same tee as No. 3). The first shot will go over the orange basket and down the fairway with a dogleg left into the woods to the yellow basket.

16. LIME BASKET - 344 feet - Par 4 - Tee: Across the bridge at the bottom of the long path from orange to yellow. On this hole, the locust tree at the base of the hill/orange basket green will be a MANDO left. You should approach the hole similar to when you throw to the orange basket. After you have reached the opening, you will need to MANDDO left around the locust tree and head to the lower driveway. You will have the option of crossing the stream early and head into the woods. There is a good bit of underbrush, downed trees, brush, etc., but it is playable.

17. BLACK BASKET - 341 feet - Par 4 - Tee: Near the one small creek across from the garage. Near a fallen tree. This route will be a mandatory below both homes and then beside the trailer to the black basket.

18. ORANGE BASKET - 220 feet - Par 3 - Tee: In front of small shed. You will be playing to the bottom of the property to the orange basket. You can go to either side or over the shed to reach the green at the bottom of the yard. This is not an “island” hole.
